

## The 2010-2011 OOAB Booster Fund Drive

**The Olen Tangy Orange Athletic Boosters (OOAB)** is made up parent volunteers and coaches whose purpose is to raise money to support our athletic programs. Did you know that money for much of our athletic equipment, training and supplies does NOT come from Olen Tangy Local Schools? In fact, OOAB provides funding for the majority of all Capital Equipment and support needs through direct fundraising.

**As we enter our third year of OOAB our needs are still great.** OOAB depends on the generosity of our corporate sponsors, parents and the community to help fill these needs. This year's Booster Fund Drive will provide a substantial portion of the financial resources we need to help our student athletes to be successful.

**A basic booster membership costs as little as \$25 per family!** Memberships range in price from \$25.00 to \$250.00 annually. With each level of membership are benefits for you! As well a portion of your donation is tax deductible. Ask OOAB how we can help you with this.

**Where does my donation go?** Since OOAB started in 2007, our sports teams and student athletes have benefitted from over \$200,000.00 of support in the form of equipment, on the field, in the gym, in the weight rooms and in the training rooms.

**With an annual budget of nearly \$75,000.00, OOAB has provided funds for:**
